

NON-METALLIC COMPONENTS FACILITIES LIST

NMC began operations in a 10,000 sq. ft. facility in Poynette in 1985.

In 1994 an additional 6,500 square feet was added to the existing structure for warehouse space. The Poynette facility is the Headquarters for NMC and is located 15 miles north of Madison, WI.

In 1998, NMC built a 22,000 sq. ft. facility in Cuba City, WI. Cuba City is 1½ hours southwest of Madison, WI and ½ hour east of Dubuque, IA.

Poynette Facility

Injection Molding Machines

	<u>Qty.</u>
JSW J55E-C5 (55 ton) 2.6 oz shot capacity	1
JSW J55EII (55 ton) 2.6 oz shot capacity	1
JSW J60ELII (60 ton electric) 2 oz shot capacity	1
JSW J60ELII (60 ton) Electric with 1.6 oz shot capacity	1
JSW J85EII (85 ton) with 4.8 oz shot capacity	2
JSW J110EII (110 ton) with 7.2 oz shot capacity	2
JSW J165E-C5 (165 ton) 11.8 oz shot capacity	1
JSW J310EII (310 ton) with 34.0 oz shot capacity	1

Auxiliary Equipment

	<u>Qty.</u>
Matsui Microprocessor Control Dehumidifying Dryers	13
Self regenerating desiccant bed dehumidifying dryers	1
Matsui Microprocessor Control Mold Temperature Control Units	6
Temptek mold temperature control units w/ microprocessor control	8
Plastics granulators	12
Thermal Care / Mayer water cooling tower, 50 ton capacity	1
Temptek 1/2 ton air cooled portable chiller	2
Maguire WSB-MB Micro-Blender	1
AEC oil mold temp control unit	2
Conair Martin Batch Feed Granulators	1

Secondary Equipment

	<u>Qty.</u>
Branson 941M Ultrasonic Welder	1
Branson 920 IW + Ultrasonic Welder (single station)	1

Corporate Quality Control Major Equipment

	<u>Qty.</u>
Mitutoyo 901-1, 2x2 stage, toolmakers microscope w/ up to 800x power	2
Brown & Sharpe MicroVal coordinate measuring machine	2
Micro-Vu 2500, 18x24 stage video coordinate measuring machine	1
Micro-Vu 2500, 18x36 stage video coordinate measuring machine	1
Vari-Roll D-2 gear checker	1
Datalyzer SPC software	1

Cuba City Facility

Injection Molding Machines

	<u>Qty.</u>
JSW J55EII (55 ton) with 2.6 oz shot capacity	1
JSW J60ELII (60 ton electric) with 2 oz shot capacity	1
JSW J85EII (85 ton) with 4.8 oz shot capacity	1
JSW J110EII (110 ton) with 5.6 oz shot capacity	1
JSW J110EII (110 ton) with 7.2 oz shot capacity	2
JSW J165EII (165 ton) with 11.8 oz shot capacity	2
JSW 245EII (245 ton) with 17.8 oz shot capacity	1
JSW J385EII (385 ton) with 34 oz shot capacity	3
JSW J500EII (500 ton) with 53.3 oz shot capacity	2

Auxiliary Equipment

	<u>Qty.</u>
Matsui Microprocessor Control Dehumidifying Dryers	12
Matsui Microprocessor Control Mold Temperature Control Units	16
Conair Martin Batch Feed Granulators	11
Cooling Technologies Cooling Tower with 50 ton capacity	1
Maguire WSB-MB Micro-Blender	1
Mold Vac 4000	2
Advantage ton air cooled portable chillers (1/4 & 1/2 ton)	2
AEC Hot Oil Mold Temperature Control Unit	1
DME Temperature Control Units (10, 5, 2 & 1 zone)	7

Secondary Equipment

	<u>Qty.</u>
Branson SW200 Spin Welder	1
Branson 920 IW + Ultrasonic Welder	1
Branson 910 IW + Ultrasonic Welder (1 with rotary table)	2
Branson 900M Ultrasonic Welder (single station)	1
Toman 2020 Thermal Assembly System (with rotary table)	1
Kensol K27T Hot Stamper (with rotary table)	1
Kensol K25T Hot Stamper (single station)	1
Uniprinter UP300 Pad Printer	1
Tampoprint 90 Pad Printer	1
